Public Membership Application Guidelines

Public Membership applications are submitted directly to Brooklyn Community Board 10 District Office for review by the Chair.

Public Members are appointed to serve on one standing committee, providing expertise in a specific area and allowing the board to have working participation from a broader representation within the community district.

The number of Public Members is limited to no more than 2 per Standing Committee, which are as follows: Environmental, Parks, Communications & Public Relations, Police and Public Safety, Older Adult Issues, Housing Health and Welfare, Traffic and Transportation, Youth Services, Education and Libraries and Zoning and Land Use Committee.

Public Members enjoy full voting privileges as members of their committee and count towards quorum. Accordingly, appointed Public Members must commit to full participation on their select committee. Public Members, however, do not participate in the full board meetings as members and are recommended but not required to attend those meetings. Like full Board Members, Public Members must live or work within Community District 10 or have a significant interest within the district. Public Members must abide by CB10's bylaws.

If you are interested in becoming a Public Member, please fill out an application form. Existing public members get their own reapplication forms when it is time to reapply. Please note that no initial application for Public Membership will be considered unless the applicant has attended at least four meetings of their desired committee in the last six months and five General Board Meetings within a Community Board session.

All Community Board meetings are open for the public to attend and participate.

ANTONIO REYNOSO, BOROUGH PRESIDENT
